

Our Origins

Mother Lode Scots came into being in 1979 when a small group wanting to provide an association for the Scots and Celts along with the descendants of Scots who have been migrating from Scotland to the U.S. for the past 300 year.

What We Do

Mother Lode Scots, like their counterparts the world over, enjoy participating in Scottish celebrations, where they have an opportunity to wear the kilt or family tartans and proudly display their heritage. Some of these celebrations are true Scottish traditions such as the annual Burns Supper. A celebration in honor of Robert Burns the national poet of Scotland. In grand style and tradition with bagpipes, readings of his poetry, songs and a traditional meal.

During the meetings we usually have an educational component. This could be anything from learning Scottish Country Dance to learning Gaelic, to history, to cooking along with many other topics. By teaching others Scottish customs and culture we hope to preserve those customs and culture.
